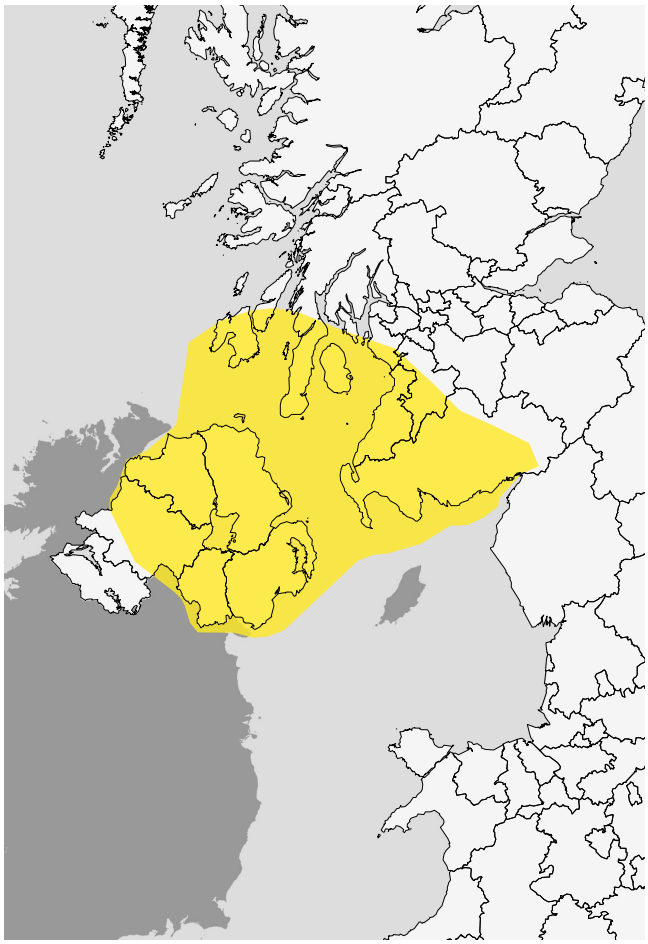
Yellow warning
Rain

Between
00:00 Sat 3 Sep 2022 and
23:59 Sat 3 Sep 2022



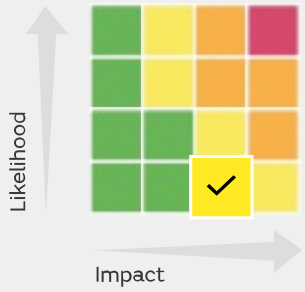
Occasional periods of heavy rain through Saturday may lead to travel disruption.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities will become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Areas of heavy rain are expected to pulse northwards across much of Northern Ireland and the southwest of Scotland through Saturday, potentially accompanied by thunderstorms. Rainfall totals of 30 to 40 mm could fall in 2-3 hours in some places with a low risk of 80 to 100 mm in 24 hours, bringing localised flooding and travel disruption.



Very low likelihood of medium impacts

Issued at 09:24 Thu 1 Sep, 2022
